"For me, being in High School is a challenge. It gets harder everyday. Also, it's making me stronger. The tougher it is, the harder I want to try. I want to prove to myself that I am able to make it. I'm not just wanting to strive for my dreams. I want them to come true. I know if I keep trying and pushing myself harder, one day, my dreams will come true." -Katie Bragg-

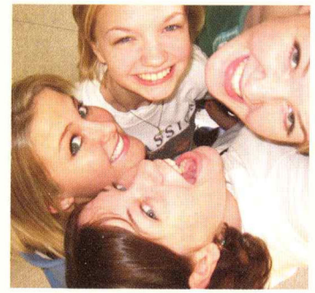
THE BEST OF Friends

A wise teacher once said a "friend" is different from an "acquaintance," the latter being someone who knows a few things about you, but can't complete a biography or such on you. Unfortunately, when you are 16, and in high school, everyone in your class can be considered a friend. Yes, they might not know enough information to write a book, but at least one can take solace in the fact that they could complete a one or two paragraph essay. Some people, however, go far beyond the typical "nice to meet you" attitude, and become closer and lifelong. They understand and care, and try to make a difference in one's life. These friends will always be there, in the best of times and the worst of times. The ability to do such a thing is special and unique, given to only a few men and women.



State Champions

During the summer of 2006, twenty-five students from Moss Point High were invited to attend Boys' State, GIrls' State, and Governor's School. At Boys' State, Dominique Thomas was voted as Lieutenant Governor and Chris Cox was selected to attend Boys Nation in Washington D.C. later that summer. Mimi Bether was chosen as State Auditor of Girls' State. Heather Walley was the only student to attend Governor's School. The delegates and scholars learned alot about government and leadership skills during their experiences.

HOMECOMING 2006

What a game for the Moss Point Tigers, they clicked on both sides of the ball on Friday 10/13/2006. Dominick Tolliver had a fantastic performance with 4 interceptions, in which 2 were run back for touchdowns. Jon Taylor contributed 10 points for the tigers. Going 1-for-1 on field goals and 7-of-8 in extra points giving him 22 points for the season. The first quarter was quiet until Taylor hit a 24 yard field goal to make the score 3-0. Then in the second quarter the tigers turned it up a notch and put away the Hancock Hawks. Defensively the Tigers held the Hawks to 1 yard rushing in the entire first half. Then in the third quarter the tigers just dominated the Hawks. The tigers put the nail in the coffin with a Ruben Fairly touchdown run. The final score Tigers 56 Hawks 7.

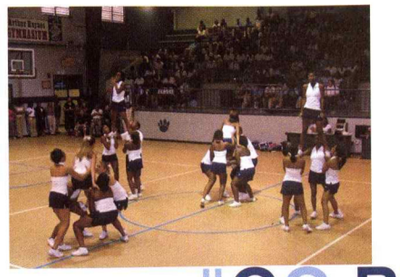
FLYING "CHEER" HIGH!!!



"GO BIG BLUE"

It's the glimmer of hope when times are tough;
It's a bit more patience when we've had enough.
It's that thoughtful smile when one's desperately needed,
It's that extra push, a reason why we've succeeded.
This part of our personality which never fails to strive,
Is the creator of our goals and the source of our drive.

A Game of Football

It is the first game of the football season
At most High School and Prep Schools across the land.
Dedicated and loyal fans will enter the stadium
Thinking of a successful season beforehand.

Alumni and friends will tailgate before the game
Preparing food on their char-coal grills,
While the band assembles on an adjacent lot,
Anxious to enter the stadium to perform musical skills.

The visiting team dares to pose itself
In the stadium's path to all.
Prepared to tolerate the booing and jeering
As they enter the field to play football.

The field is fringed with supportive fans,
And loyalty and spirit are everywhere.
A quietude of anxious moments,
And confidence in the home team is in the air.

The band enters and struts on to the field,
Cheerleaders perform their acrobatic skills,
Alumni sit together in proximity to the gridiron
Reminiscing their collegiate days of glory and thrills.

Teams rush on to the grass covered turf
Amidst the roar of an enthusiastic crowd.
The visiting team clad in their school colors,
The home team in theirs and ever so proud.

The teams may be called Tigers or Panthers,
But it makes no difference to the ardent fan.
They expect their favorite team to win,
And parade through the streets with streamers in hand.

Sometimes - defeat for the home team is inevitable.
The errors are many - the score high.
Imagine - the stadium's calming hush
As thoughts of a losing season passes by.

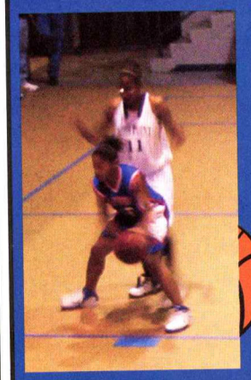
Handling The Rock

One Last Shot

She proudly adorns her Tiger Pride, leading the coalition:
one last stand
Emerging from the spirited chamber, traversing the narrow corridor:
one last march
She firmly steps onto the hallowed ground that has been her stage:
one last act
Anxiously sprinting into the arena to the thundering chants:
one last rehearsal
She vividly remembers the sacrifices -- night after night -- year after year:
one last devotion
Reaching down to palm the beckoning orange, leather sphere:
one last touch
She carefully sends it on its parabolic ascent into the awaiting nylon cords:
one last shot
Channeling her fear, suppressing her pain, escaping her reality:
one last dream
She feels the bouncing of the ball keep time with the beating of her heart:
one last familiarity
Hearing the blare of the horn and the piercing of the whistle:
one last invitation
She reluctantly turns, towel draped on shoulder, to face the followers:
one last glance
Loving the moment as tears streak down, mingling with the perspiration:
one last sigh
She joins her comrades with hands together, hearts embraced:
one last reunion
Wishing desperately to suspend the hands of time:
one last rival
She readies herself and those among her for the final curtain call:
one last goal

THAT'S LIFE



Why be shopping at the mall, when you could be playing basketball. Why be standing still, when you could be doing basketball drills. Why be lying in a cot, when you could be shooting a foul shot. Why be a cheerleading rooting, when you could be a basketball player shooting. Why be sitting in the sun, why be talking to your sibling, when you could be in the gym dribbling. why be on the couch being lazy, because if you don't play basketball, your just crazy.

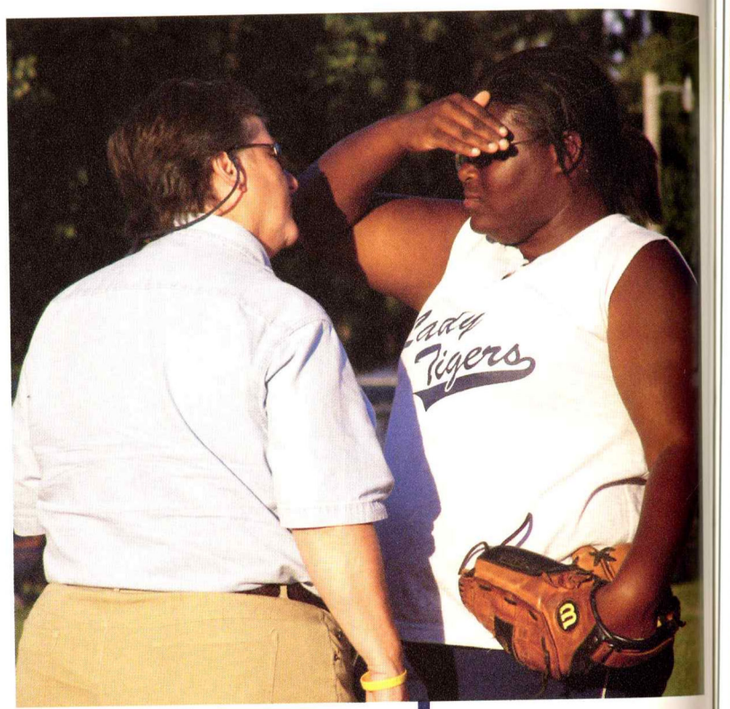
SOFTBALL

In the Eye of the Lady Tigers-

Although the Lady Tigers Softball team didn't have the best 2006 season, they showed great accomplishment at what they did. The Lady Tigers held their own with many new but determined young athletes. "I could see that we played more as a team than pulled apart. With our determination and confidence in each other, we came together and proved that hard work and dedication can lead a successful way through life if we just believe." said Senior Sade' Zinnimon. In the Community, classroom, and on the field, no challenge went untested for the Lady Tigers. "As the season progressed, we developed a larger image of the game as the game was played." adds head Coach Brenda Lewis.



Head Coach, Brenda Lewis takes time to talk with pitcher, Shakayla McCune in hopes to keep her striking record on track.

"The road to success is not straight. There is a curve called Failure, a loop called confusion, speed bumps called Friends, lights called Enemies, and caution lights called Family. You will have flats called Jobs. But, if you have a spare called Determination, an engine called Perseverance, insurance called Faith, a driver called Jesus, you will make it to a place called success"

"Soccer is PAIN,

GIRLS SOCCER

The lady tigers soccer team amazed many fans this season by their outstanding improvement. Even though they didn't have a winning record, they showed great leadership, teamwork, and the ability to never give up. Under the new coaching staff of Misty Haarala, the tigers stepped up their game everytime they hit the field. "My last year with the lady tigers is one I will never forget. We had so many determined young athletes that I know will grow in their ability to play ball." says senior and captain, Hannah Ezell. Many see great things that will come out of the soccer program in Moss Point. " They will have to work hard every year to gain their success as soccer players, and as an athlete alone." adds Ezell.

We Bring The GAME!"

BOY'S SOCCER

The very next play the ball comes to you,
You run up the wing blasting by defender after defender,
You see an opening in the keepers defenses;
You wind up to shoot and
TWEET! Youre tackled by a defender;
Penalty shot declares the ref,
To the oppositions protest.

You place the ball on the penalty spot,
And the once roaring crowd goes silent,
Thousands of eyes are upon you unspeaking and unforgiving,
As you wind up to shoot all time seems to stop;
And suddenly time resumes to the roar of the crowd
And your teammates swarming around you,
At this moment you think to yourself,
Soccer, the beautiful game.

As you step on to the muddy field,
You feel the joy rise inside you,
The crowd roars as the players take up there positions;
And your team gets ready to kick off.

As the game commence all nervousness is lost,
Replaced by a sudden adrenaline rush,
The play goes back and forth, forth and back;
But you run on still,
nothing else concerns you but the ball.

It goes on as such for many minutes,
Until your rivals get a chance,
Your goalie tries but to your despair the ball finds the back of the net;
The crowd boos in anger and frustration.

<Captains, Travis Adcock and Jamie Weat wait for the final call.

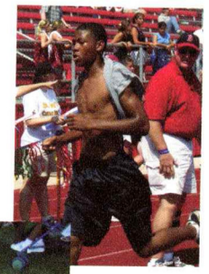
Hearts For Running



The Race
Open your eyes and start running
Don't stop running
Your heart is beating
Your Head is aching
Your heart is breaking
Keep running and don't stop
And dont get down your knees and beg for mercy
What are you doing?
Don't stop!
Sweat is pouring down your face
Your head is coursing with pain
Your side is aching
You're almost there!
You stumble but you keep going
You've been through all these obstacles
Oh, how rough the road has been!
Oh, look there is the finish line
A blinding white light
Then it's gone.

School year 2006-2007 can truly be called progressive. Consider all that has been accomplished to enhance our school's learning environment and opportunities for distraction for success for Moss Point High School students. The advent of uniforms for all high school students reduced opportunities for distraction from academics. Academic offerings were expanded, particularly in technolog and foreign languages. Students' positive attitudes became visible in how they carry themselves and how they attended to their lesson, taking high stakes testing more seriously. Pride in extra-curricular activities showed, paritcularly in band, clubs, and sports. Teachers helped make a positive difference in our school and its image in our coast community. Administrative leadership set and met goals solidly from August, 2005 through May, 2006. Congratulation, Seniors! Thanks and well done, addministrators and staff and thank you, faculty.

~He Only Takes The Best~

God saw she was at her happiest and
someone would not let that be.
So he put his arms around her and whispered
"Come With Me."
With tear filled eyes we watched her,
suffer and fade away. Although we
loved her deeply, we could not
make her stay.
A golden heart of teaching stop beating,
hard working hands put to rest,
God broke our hearts to prove to us,
he only takes the best.

In Loving Memory Of Mrs. Ruby Woods

You will be missed dearly by all of your Moss Point High School Family

Dear Moss Point High School Students:

Another school year has come and gone. To spark your memory of the good times at Moss Point High School this year, is the 2006-2007 yearbook, which will serve as a memento for many years to come. As you turn through the pages, reflect on what kind of legacy you are leaving behind and what the future holds for you.

It has been our goal in the Moss Point School District to provide the best education possible for all of our students. High expectations lead to high performance. To the seniors who are entering into the world of work and/or the college arena, build upon the skills you have learned here to become active members of your community. I celebrate with you in your success and look forward to your future accomplishments as you continue to learn and grow into adulthood. The sky is the limit!
